
Walking Away From Fear

**A Journey Exploring Viruses,
Contagion, and Why We Get Sick**

Elizabeth Barnum

Endnotes

On the website www.walkingawayfromfear.com you will find a PDF of all the endnotes and the bibliography at the back of the book. This PDF has clickable links so you can go directly to the website of each source. Please note that some of these links may not work. Organizations that publish information online may update their websites, causing some links to become dead. It is also possible that censorship could be imposed again, similar to what happened in the beginning of the 2020 pandemic, so some information that is available when this book is published may be removed from the internet.
